

Still round

Still collection is a serie of circular and ovoidal shapes, each with a thin edge of 5mm, that radiate a certain lightness.

Made of Velluto® biobased, the velvet touch of the material emphasizes the softness of the spacious bowls. The timeless shapes make this collection an everyday classic, for any style.

Still collection is perfectly suitable for residential as well as commercial projects. Especially with our Palette finish and haptic Soft Touch coating unique designs can be created that suit your bathroom design.
