

# Box countertop

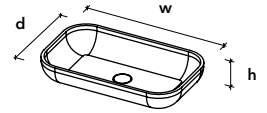

---

Box countertop bowl is defined by a spacious oval shape, available in both single and double versions. Maintenance is a breeze as the ancillary foot allows easy access to and around the base. Box is supplied with our Flush drain as standard.

Box can be combined with our Flat shelf or with our Stooore, Grid or Scene cabinet collection.

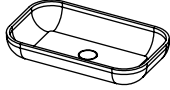

## Specifications

- with our Flush drain
- Box countertop bowl should be fixed on top of a surface using flexible silicon
